MEMORANDUM FOR: Deputy Director, National Foreign Assessment Center

VIA: Director of Geographic and Societal Research
STATINTL Chief, Social Science Research Division

FROM: [REDACTED]
Chief, Asia Branch, Social Science Research Division

SUBJECT: Request to give an Oral Presentation

1. I request permission to participate in a panel discussion before an industrial psychology class at the Virginia Military Institute, on 23 January 1981.

2. I will be discussing my work experience prior to joining the Agency, the reasons I undertook government and Agency employment, and my work experience in the Federal Government and the Agency. I will not discuss specifics of current or past work and, of course, none of the material presented will be classified.

3. An old friend has requested this participation. He is familiar with the requirements of my position, and I am sure he would not place me in a position which would embarrass me or the Agency.

4. I do not anticipate that participating in this panel discussion will in any way impair the performance of my official duties, impact adversely on the foreign security of the US or interfere with the authorized functions of the Agency.

5. I am not under cover, and I will be identified as an Agency employee. I will make an oral disclaimer indicating that any views expressed are my own and not necessarily those of the Agency.
